Invitation

The Austrian Pharmaceutical Society cordially invites to its 26th Scientific Congress which will take place in Graz (Styria, Austria). Recent developments in pharmaceutical sciences will be presented and discussed. A symposium of HMPPA taking place on 25 April 2019 will introduce the "Medicinal Plant of the Year 2019".

Main topics

Drug discovery & development

Drug targeting

Herbal medicines

Human microbiota metabolism

Molecular networking

Pharmacogenomics

Lectures & posters

Scientific contributions (short lectures, posters) to the above mentioned scientific topics and all other contributions related to pharmaceutical sciences are very much welcome.

Conference language

Plenary lectures can be held in German or English, for short lectures and poster presentations English language is obligatory.

Travel grant

Travel grants will be provided to students who are members of ÖPhG. Further information will be available at the congress website: www.oephgraz-kongress-2019.uni-graz.at

Second Announcement

Detailed information will be available in December 2018.

Congress organization (Chairs)

Martin Schmid, Graz

Franz Bucar, Graz

Scientific Committee

Rudolf Bauer, Graz

Valery Bochkov, Graz

Verena Dirsch, Vienna

Sabine Glasl-Tazreiter, Vienna

Ulrich Griesser, Innsbruck

Ronald Gust, Innsbruck

Andreas Kungl, Graz

Thierry Langer, Vienna

Rosa Lemmens-Gruber, Vienna

Eva Roblegg, Graz

Judith Rollinger, Vienna

Astrid Schrammel-Gorren, Graz

Daniela Schuster, Salzburg

Ulrich Stelzl, Graz

Hermann Stuppner, Innsbruck

Helmut Viernstein, Vienna

Andreas Zimmer, Graz

Sergey Zotchev, Vienna

Contact address (Organization):

Ao. Univ.-Prof. Dr. **Martin Schmid**

Institute of Pharmaceutical Sciences, University of Graz
